- 1) Provoking Hope agreed to staff the Resource Center three days per week, offering a full range of services for the entire community of Sheridan. It was noted that the staff of Provoking Hope are peer-to-peer support people who connect those in need with certified counselors who are specialists in their fields.
- 2) The city offered the use of City Hall for the short-term location for Provoking Hope to work from. The city will check availability and work with Provoking Hope to determine which days will work. We discussed partnering with the American Legion.
