PRESS RELEASE

For Immediate Release

September 5, 2024

The City of Sheridan graciously hosted local, county, state, and federal leaders showcasing the city's Stoney Mountain Reservoir. Mayor Cale George would like to thank the individuals that took the time from their busy schedules to share with our city:

Lucetta Elmer, Representative Oregon State Legislature

Beth Wytoski, Governor Tina Kotek's Office

Brandon Jordon, Congresswoman Andrea Salinas' Office

Kit Johnston, Yamhill County Commissioner

Lindsay Berschauer, Yamhill County Commissioner

Arthur Chaput, Business Oregon

Abisha Stone, SEDCOR Economic Development Manager

John Vamos, West Valley Bulletin Board

Ian Houston, Sheridan City Councilor

Denny McElroy, Sheridan City Councilor

Stoney Mountain Reservoir was completed in late 2009, and built with the goal of serving as a city drinking water source. Remaining work includes engineering, permitting, funding, and additional construction. The Sheridan Mayor and City Council are hopeful to finish the project, but know it will take money, patience, coordination, and time.

Mayor George shared his vision for Sheridan's future in the Summer 2024 edition of *Enterprise*, SEDCOR's quarterly magazine:

"... George's vision for Sheridan's future revolves around harnessing its natural resources to foster economic growth and create a vibrant, sustainable community for generations to come."

For more information about Stoney Mountain, please contact Mayor George at 971-312-2625 or email cgeorge@cityofsheridanor.com, or email City Manager Heidi Bell at hbell@cityofsheridanor.com.
