

**CITY OF SHERIDAN**  
**WATER & WASTEWATER RATES**  
**EFFECTIVE 01/01/2024**

**WATER**

The Sheridan City Council did not increase water rates for the year beginning January 1, 2024. Water is charged monthly by consumption only; there is no base rate. The rate for water is .0803 per cubic foot (\$8.03 for 100 cubic feet). There are 7.48 gallons per one cubic foot.

**SEWER**

On October 16, 2023, the Sheridan City Council adopted Ordinance 2023-04, which increased the Sewer rate by 3.49%. The new rates went into effect on January 1, 2024.

Sewer is paid in advance and charged monthly at a flat rate of \$47.48 per Residential Dwelling or Equivalent Dwelling Unit (EDU). The flat rate does not change, regardless of the amount of water consumed.

**STORM DRAINAGE**

Storm water is charged monthly at a flat rate of \$3.50 per Residential Dwelling or Equivalent Dwelling Unit (EDU).

**DEPOSIT**

A utility deposit of \$150.00 will be collected at the time application for service is made. The deposit is not to be considered a payment on account. Deposits for tenant customers will be returned when they terminate service within the city provided all outstanding bills have been paid. The city will return the property owner's deposit, without application, provided all bills have been paid in a timely manner for twenty-four (24) months, or when the property owner requests that service be discontinued, provided all outstanding bills have been paid.

**LATE FEES & NON-PAYMENT POLICY**

A Late fee of \$2.00 or 1.5%, whichever is greater, will be assessed on utility accounts that are 30 days past due. If service is disconnected for non-payment, a \$50.00 reconnection fee will be assessed. Reconnection will occur only after the entire outstanding balance and reconnection fee are paid.
