### HAT'S IN?

Cardboard, newspaper, magazines, phone books, cereal boxes, junk mail, envelopes, printer paper, shredded paper (place in paper bags), aluminum cans, tin cans, milk cartons, drink boxes, scrap metal (max. 30 lbs. or 30"), plastic bottles, tubs, cups and buckets.

### HOW TO RECYCLE

- Please rinse containers and flatten larger items.
- Acceptable to mix materials loose in the cart.
- Ensure all items are placed inside your cart.
- Set cart out on your service day.
- Motor Oil - Place oil in a clear plastic jug with a tight-fitting lid. Set out up to two gallons next to your cart on your service day.

### WHAT'S OUT?

**NO GLASS:** Glass cannot be accepted in the carts. Glass will contaminate the other items in your cart. Bring glass to your local recycling depot (see page 5 for listings). *Bottles and jars only - no dishes, Pyrex, or window glass.*

**NO TRASH, FOOD OR BAGS:** No Styrofoam, food waste, toys, packing peanuts, plastic bags, plastic wrap, paper plates or cups, tissue or paper towels.
